Elk Point Bed Races on again

That's right, folks — the Great Elk Point Bed Race, which formed an exciting new part of the 1985 Canada Day Celebrations, are on again for another year! However, there are some changes in route, rules and judging criteria. There is also a new sponsor: The Elk Point 4-H Clubs.

This year's route will take advantage of the by-then newly paved 51 Street, starting at the laneway south of the Elementary School and ending at 50 Avenue near the Elks Hall. This is a much shorter and smoother route, and will hopefully be less hazardous to the participants.

The beds will be judged for speed on a timed basis, with stop watches clicked on when the air horn sounds to start the race, and clicked off when the first entry crosses the finish line in that heat. After the completion of all the heats, a $50 cash prize will be awarded to the fastest bed overall. Another $50 prize will go to the team with the "best dressed" entry, which includes both the bed and the team members themselves.

Rules for this year are as follows:

1) Teams must be entered in advance, with an entry deadline of 5 p.m. on Saturday, June 28. There is a TWELVE TEAM LIMIT, so call in early.

2) To enter, call ED, RUTH, or DWAYNE VOGEL at 724-3944 days, or 724-4039 evenings.

3) Each team must consist of between three and five members, one of which must ride on the bed and the remainder of which must pull or push the bed for the duration of the race.

4) The wearing of protective headgear, such as hockey or motorcycle helmets, is mandatory for all team members.

5) Modified beds are permitted, but must not have wheels over 12" diameter or be smaller than 30" wide by 72" long.

6) The first heat will leave the post at 11 a.m. Please be on hand at least 15 minutes before starting time to minimize traffic congestion and confusion.

Get busy making your beds, everyone, and get ready for a really great time on Canada Day.

Tourist booth staying put

You and I may be going places this summer, but the Elk Point Tourist Information Centre is staying exactly where it is.

This was the decision after two hours of intense discussion at a special meeting of the Elk Point Chamber of Commerce last Tuesday evening, which heard suggestions that the booth be moved to a location south of the Secondary 646 junction, to a location at the north end of town, and to several sites on Town owned property.

The relocation of the booth was studied after it was announced that reconstruction of Highway 42 through town would take place. However, it has been determined that the highway widening will not require the booth to be moved, and may, in fact, give it better accessibility. Some problems have been noted through the years with long recreational vehicles and vehicle and boat combinations being unable to negotiate the sharp turns necessary to reach the booth.

A suggestion was made to move the building westward toward the property line and to put the driveway in front of it, but the large RCMP horse monument and a sizeable tree stand in the way of that idea. President Murray Harper and new Tourism Committee head Billie Friesen were told, in the course of their research, that it would be possible to service the building with water and sewer on its present site for only the cost of the materials.

Representatives of the Elk Point RCMP who attended the meeting suggested that signs directing motorists to the Information Centre be erected along the highway both north and south of the site, so that they may slow down and watch for the centre.

Town Councillor Steve Stepaniuk attended the meeting, and told Chamber that the Town hopes to eventually have a suitable site to offer the Chamber as a larger, more convenient location for the booth. A motion was subsequently passed that, if it becomes necessary to move the booth in the future, that it will be moved onto Town land.

Operation of the booth was also

STAYING PUT — After much discussion of alternate sites, it was decided to — you guessed it! — leave the Tourist Information Booth right where it is.

Lioness Club parade plans

Everybody loves a parade, and the colorful procession of floats, antique vehicles, decorated bikes, horses and riders which winds its way through Elk Point streets every July 1, is no exception.

The Lioness Club has recently announced plans for this year's parade, and is looking forward to making it the biggest and best ever. Categories are as follows: 1. Clubs and Organizations; 2. Commercial floats; 3. Horses and riders; 4. Pioneer, including antique vehicles; 5. 1986 Canada Day Theme -- Transportation and Communication; 6. Individuals; and 7. Decorated bikes.

The parade will form up north of the arena, with judging of the entries to begin at exactly 10:15 a.m. The parade will take to the street at 11:30 a.m., following the awarding of prizes for first, second and third place in each category.

This year's parade route will remain the same as in 1985. From the arena area, the parade will go one block east on 55 Avenue, turn south and follow 50 Street to Railway Avenue. After going west one block on Railway Avenue, the parade will go two blocks north to 50 Avenue, turning west past the Elks Hall parking lot, library, hospital and Heritage Lodge. From there, the parade will turn north for two blocks on 54 Street, then east on 52 Avenue to 51 Street, then north to its starting point.

You are all urged to start planning your entries for the parade right away, because it is community support is what makes the parade possible and successful.

If you have any questions, please phone Joyce Oryschuk at 724-2416.

See you at the parade!

Youth of Year deadline extended

The deadline for nominations for the Elk Point Chamber of Commerce's "Youth of the Year" award has been extended to Noon on Monday, June 23, due to the total lack of entries by the original closing date.

F.G. Miller High School Principal Bob Tredger, who is coordinating the award program, says he is surprised that no nominations have been submitted, "because there are so many great young people out there in the community" who would be deserving of such a tribute.

Nominees must be between the ages of 15 and 24 years, and have distinguished him or herself through outstanding acts of good citizenship. Criteria for selection of the winners of the awards are: 1) An involvement in peer group activities; 2) Demonstration of community involvement; 3) Demonstration of initiative and leadership qualities; and 4) Possession and exhibition of personal qualities which would serve as an example of excellence and good character for our Canadian youth.

Nominations, along with a brief letter of explanation, should be dropped off or sent to either F.G. Miller High School or the Lakeland Review office by Noon, June 25, 1986.

We know these outstanding young people are out there, but we need you to help us find them.

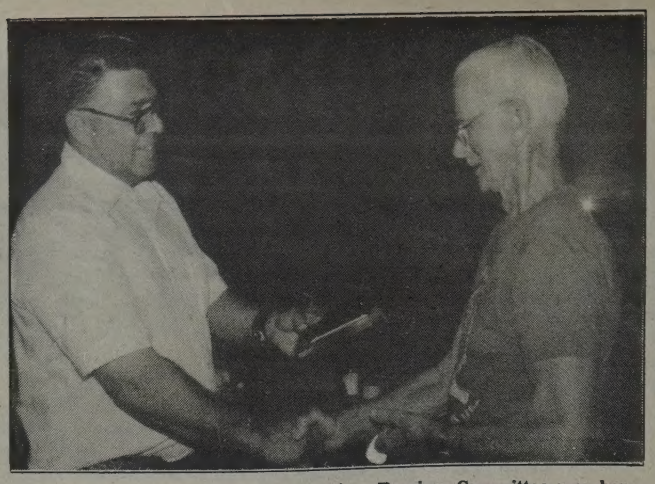
discussed. A suggestion was made by Tourism Committee head Billie Friesen that the hours to be worked by the STEP Program employee be increased to 40 hours per week, and that the wages for both the STEP employee and the senior citizens who work in the booth be raised to $4.50 per hour.

Sale of advertising for the brochure which will provide visitors to Elk Point with a clear outline of the businesses and services which are available, are going well, with the brochure expected to go to press some time this week, Mrs. Friesen said.

A special guest at the meeting was Lakeland Tourism Association President Glen Hays, who brought three other visitors along with him. Hays presented retiring Tourism Committee Chairman Ron Barwick with an engraved plaque from the Chamber and a most extraordinary hat, bearing a clock above its brim, from the Tourist Association. "Now Ron can't say he doesn't have the time for this and that," Hays joked.

Hays thanked the Chamber for the opportunity to come down and meet its members, and said that he feels Elk Point is "one of the finest communities in the Zone." Tourism is the third most important industry in Alberta, he reminded the members, "and it's up to you people in the communities and the businesses to keep those tourists coming back."



BARWICK HONORED — Long-time Tourism Committee member Ron Barwick was honored with the presentation of a plaque for his years of service from the Chamber, as well as a unique clock-bearing hat from the Lakeland Tourist Association, both presented by LTA President Glen Hays.

Mayor's Proclamation

SENIOR CITIZENS' WEEK

WHEREAS, the Provincial Senior Citizens Advisory Council has requested municipal support and recognition of the contribution of senior citizens to the development of our province and municipality, and

WHEREAS, we are indebted to those senior citizens in our community who have before us made Elk Point the dynamic community it is today, and

WHEREAS, in recognition of the unselfish contributions senior citizens continue to make in our community a special week should be declared in their honor.

NOW THEREFORE, I, Ed Buck, Mayor of the Town of Elk Point, do hereby declare June 15 to 22, 1986 Senior Citizens' Week in the Town of Elk Point.

DATED at Elk Point this 12th day of June, A.D. 1986.

ED BUCK, MAYOR
TOWN OF ELK POINT

Canada Day site changed

The 1986 Canada Day celebrations will have a new site, it was confirmed at the June 4 meeting of the Canada Day Committee. With the mounds of dirt smoothed away and paving of 51 Street imminent, it was decided that the stage presentations and numerous activities making up the celebration will be held in the large, grassed field north of the A.G. Ross Arena.

Plans are well underway for the day-long event, which will follow an early-morning pancake breakfast sponsored by local merchants. The Bed Races, which move to 51 Street this year, will begin at 11:00 a.m., followed by the Lioness Parade, which follows the same route as last year.

Arrival of the Color Party, made up of representatives of numerous groups in the community, at 1:15 p.m. will mark the start of the afternoon events, which feature literally something for everyone. There will be musicians, dancers and other entertainers, brief speeches by various dignitaries, the presentation of awards to a worthy young man and young lady from this community, plus games and contests for both children and adults.

The Lions Club will be cooking up a storm, and are rumored to have added Buffalo Burgers to their repertoire this year, the Army Cadets will be dishing up ice cream cones, and of course there will be the giant Birthday Cake, made by the OORP. If any of the youngsters have an appetite left after all that, there will also be the sticky fun of the Elks Pie Eating Contest.

The Historical Society will have their giant map guest book, and the entries in the Lakeland Review/FCSS Poster Contest will be on display.

Sounds like a fun lineup of fun for all – See you there!

Elk Point Elks host tourney

By Mildred Dunham
Ferguson Flats Correspondent

It was a lovely weekend for the ball games at Whitney Lake Ball Park as the Elk Point Elks hosted the sixteen men's and four ladies teams in their annual ball tournament.

The Marwayne ladies took 1st for the "A" side while the Elk Point ladies took 1st for the "B"side.

Sherwood Park Twelve Packers took on Andrew "A"s in a hard-fought "A" side championship in the men's fastball, taking home first prize with Andrew placing second. Beauvallon placed third while Myrnam placed fourth.

Kitscoty Merchants defeated the Innisfree Aces to win top honors in the "B" side.

In slowpitch Elk Point Squeeze Play placed 1st against the Elk Point Hooters while the Elk Point Lions won the "B" side against the Elk Point Aces.

The Elk Point Elks would like to thank all the teams for coming down and everyone who helped to make this weekend a great success. Special thanks go out to Mr. and Mrs. Paul Buck and Mr. and Mrs. Steve Kossy from Cold Lake for looking after the booths during the night.

Development on council agenda

Development matters were once again high priority on Council's June 9 agenda.

Art Klapstein of Kenart Investments Ltd. was in attendance to discuss the fulfillment of development agreement conditions on Kenart's 48 lot single family subdivision. Klapstein told Council that sidewalks are presently being installed in the subdivision, with paving to be laid in the near future, when the crew is in Elk Point to do the Town's paving projects.

The large pile of topsoil stockpiled by Kenart on Town property was a matter of concern to Council. Klapstein asked for an extended time frame for removal of the pile, but agreed to obtain liability insurance on it and to slope the ends of the pile to minimize the danger of landslides.

Also on the subject of development, WRD Borger Construction has advised the Town that they have decided to proceed with their original paving plans, rather than using a deeper gravel base and less paving material.

Cost estimates of $17,900 for curb and gutter extensions on 51 Street were reviewed, and found to be in line with what the Town had expected to pay. These curbs and gutters are now installed, with paving coming soon.

Council will meet with Dave McIntyre of Alberta Utilities this week to review paving cost eligibility on the water supply upgrading project. They will also meet with Doug Yeremy of Alberta Environment in the near future to review cost sharing on the drainage improvements made so far by the Town as per the Level I Report.

The Buckingham House Management Board has suggested that a walkway be constructed from Buckingham House to Markstad Park, as outlined on a site plan submitted by the Board. Cost estimates have been developed by the Superintendent of Public Works, but approval will have to be sought from the Hospital Board, because the suggested route crosses property owned by the Hospital.

A draft of the Golf Club lease agreement was studied by Council, with a few changes made. The draft will go to the Town's solicitor to have this done before being sent to the Golf Club for their approval.

An official opening ceremony for the recently renovated Town Office and Council Chambers was discussed, but no date has been set as yet.

Grant approval from the Alberta Canada Day Committee in the sum of $1,000 has been received, Council was advised.

Council wound up their June 9 meeting with the agreement to proclaim June 15 to 22 as Senior Citizens' Week in Elk Point.

Clandonald Correspondent

The PeeWee girls ball team won their first game with Dewberry on Tuesday, June 10, but the second game, on Wednesday, was cancelled because of bad weather.

Tuesday the Bantam girls won their game in Marwayne.

Friday, June 20, the Teen Fellowship group will be going to St. Paul to swim. All teens and Grade 6 students are invited. Watch the school newsletter or contact Pastor Steve Elich for details (853-4220).

Wednesday, June 4, the Junior High students took part in the County Track Meet in Vermilion. The girls competed at St. Jerome's and the boys at J.R. Robson. Clandonald placed third overall, behind J.R. Robson and St. Jerome's respectively. The girls' team placed first over all other girls' teams. The Junior girls' team is to be congratulated on a strong showing. The small number of boys in Junior High prevented the boys' team from accumulating many points.

The Junior girls, (Grade 7): LeahAnn Grant placed 4th in the 100 m. and 1st in shot put for 10 points, Diane Bardoel with 1st in the 800 m. had 6 points, Angela Nelson with 2nd in the 400 m., 3rd in long jump, and 2nd in high jump won 19 points (top girl's score for Clandonald), Dawn DeGiano with 2nd in shot put had 5 points, Shannon Convey with 1st in discus had 6 points, and Marie Lawrence with 5th in high jump had 2 points.

Christina Garnier, in Intermediate (Grade 8), placed 4th in shot put for 3 points.

Senior girls (Grade 9), were Janice DeFord with 3rd in discus for 4 points, Cheryl Nowosad with 3rd in javelin for 4 points, and Carla McNamara with 38 in the 200 m. for 4 points.

Michael McCormack, Intermediate boys (Grade 8), placed 6th in discus for 1 point.

Senior boys (Grade 9): Roger Osinchuk placed 5th in 400 m. for 2 points and Andy Pearl placed 1st in shotput, 2nd in long jump and 6th in discus, for 12 points (top boy's score for Clandonald).

Our few students go out and give their best against much larger teams, larger in number but not in spirit. Well done. Thank you to Mr. Houston for details of the Track Meet.

The Landonville Picnic will be on June 25, at the Landonville Hall. A barbecue supper will begin at 5:30. Each family, please bring a salad. Hamburgers will be supplied. After supper, there will be games and races for kids of all ages. You might need your ball glove or horseshoe pitching arm, and don't forget the insect repellant.

Coming Up: the school Track Meet on Friday, June 20.

The Local Advisory Board regular meeting will be Tuesday, June 24, in the school

The same day is the Blood Pressure Clinic in the Friendship Centre from 2 to 3:30.

Thursday, June 26 is Teachers' Preparation Day, so no school for the students, then summer holidays begin on Friday, June 27 after class. Have a fun-filled safe summer.

Saluting our seniors

June 15 to 22 has been declared Senior Citizens' Week in Elk Point, and a more fitting group for the residents of this town to give tribute to, cannot be imagined.

First of all, these are the people who made our community the fine place it is today. They hacked our farmland from the bush, picked rocks and roots and turned the forested area into prime agricultural land. They built businesses in our town, supplying the needs of the growing community. They built homes, and raised families. Some of them taught in one room schools, giving the children of the area a thirst for knowledge as well as their lessons in the three R's.

These people also participated in the building of this community, by serving on the village (later the Town) and County councils, organizing and working with the Chamber of Commerce and the numerous service clubs, joining together to provide us all with a curling rink, an arena, a golf course, a fine community hall. They have encouraged the young people of the community to be active by promoting sports of all kinds.

Secondly, they continue to do these things. Senior citizens continue to be active on Town Council, in the Chamber of Commerce, in the service clubs. They continue to support the endeavors of the younger generations, and to encourage them to keep the community growing and vital. They take part in community events, they cheer on the sports teams, they spruce up their yards to make the community attractive.

Elk Point's seniors are a remarkable lot, and a fine example for us all to follow.

Have a great week, Seniors.

It's the thought that counts

It's like giving a party — and having nobody show up. Like having a contest — and nobody enters.

You'd think everybody would be eager — and then they're not.

Farmers' Day, last Friday, was declared a civic holiday in Elk Point. However, it seemed no one wanted a holiday. In fact, some people were quite upset that one had been declared.

It is quite unlikely that the Town was trying to make businesses lose money, or to send shoppers to other towns while our stores were closed. Council just thought we'd all like a day off, to enjoy the almost-summer sunshine, and to take a rest from our everyday tasks.

But, it seems that the holiday was like a shirt that doesn't go with anything you have in your closet, ballet tickets when you're a hockey fan, a box of chocolates when you've just gone on a diet: a gift you don't want.

However, nobody was making you lock up your door and unplug the cash register, any more than you have to wear the shirt, go to the ballet or eat the chocolates. In fact, the only holidays (including federal holidays) that anyone pays much attention to these days are Good Friday and Christmas. People shop on Thanksgiving Day and Remembrance Day and Canada Day and Victoria Day — so why not Farmers' Day?

All those others are holidays which people no longer observe with any great enthusiasm — and this doesn't seem to be, either.

If gratitude for our blessings, soldiers who protected us, our country, and our Queen aren't worth observing a holiday for, why would the farmers be?

Oh well, Council, you tried — and those of us who DID take the holiday off, thank you for it!

Summer reading programs

Hello, my name is Kris Ann Maas and I am the Elk Point Public Library's summer student. I have just completed my first year at the University of Alberta in the Faculty of Education and am glad to be back in Elk Point for the summer.

The library hours for the summer are from 9 a.m. to 5 p.m. on Tuesday, Wednesdays and Fridays, and from 1 p.m. to 9 p.m. on Mondays and Thursdays. On Saturdays, the library is open from 2 p.m. to 5 p.m. Hopefully these hours will be of convenience for everyone.

The summer reading programs this year are entitled: 'Libraries and Fitness'. As the name suggests, the program will involve such areas as physical exercise, nutrition and learning. The program runs July and August for pre-school and elementary children. The elementary program will be held every Wednesday morning at 10 and the pre-school program will be held every Friday morning at 10. The elementary program begins July 2 and the preschool program begins July 4. The aim of these programs is to keep up the reading skills of children over the summer and to have a lot of fun too! Crafts, songs, games and stories will make up a large part of these programs as well as group discussions. There will be an end of the year party which will sum things up and prizes will be given out.

Last summer's program was a huge success and I'm sure this year's will follow in its path. There is no charge for the program but there is a registration fee for the library. As of July 2nd the fees will be $1 for children and $4 for a family for the 1986 year.

Consent forms for the program are available at the library. For more information about the programs or the library in general, contact me at 724-3737 or drop into the library. Hope to see you there!

THE ELK POINT TOMBOYS — Back row, l-r: Trainer Arnie Price, Wanda Ference, Joely Jenner, Joanne Wolanuk, Coach Linda Ference, Tina Stafford, Tammy Jennissen, Manager Donna Gulayec; Front row, l-r: Angel Ference, Christine Wozniak, Jackie Gulayec, Joanne Wozniak, Jayme Pelech. Missing: Heather Poitras, Kathy Mistol.

Tomboys have successful year

Elk Point's Midget Girls' Fastball team, the Tomboys, has had a successful year, ending up by winning the silver medal in their league finals last weekend.

In regular season play, the Tomboys won ten out of twelve games against the six other teams. Coach Linda Ference feels the girls have done very well, especially since some of the players are only in their first or second year of ballplaying.

Sponsoring the handsome pink and grey uniforms and equipment for the team were: Windsor Salt Co. who also paid the team's Provincial registration fees; Bill and Ivy Ference Apartments; Steve Ference Construction Co.; G.N. Auto & Diesel; JMB Crushing; Blue Quills Secondary School; Stafford Welding; Wolanuk's Fashions & Foods; Wozniak Texaco Bulk Fuel; and the Jennissen family.

Vern Sharkey hosts bus drivers' upgrading course at Heinsburg

By Mildred Dunham

Twelve bus drivers met at Heinsburg school last Saturday to become the first group in this area to take a bus drivers' upgrading course. It is a voluntary improvement program to help bring up the bus driving standard in the province.

Vernon Sharkey, who owns and operates a large portion of Elk Point, Heinsburg and area school bus service, says it's something that's been needed for a long time. He has driven a school bus for 36 years and has been with this job longer than anyone in the county of St. Paul. This made him a bit skeptical at first as to his needing to take such a course. It came as a surprise to him and the others to learn that the hardest thing to spot is your own mistakes. Statistics show bad habits account for the most accidents.

These twelve people that took the course feel that it was most helpful and are very enthusiastic and happy they took it. They hope that other drivers will follow suit as this is only voluntary at the present time.

There are five books to study and fifty questions in the written test. It is a learning experience to teach bus drivers the art of defensive driving. When passed, the driver gets an M & S endorsement on his license and is then classed as a professional driver — also helpful when applying for this job.

Sharkey was very pleased and proud that all those that took the test passed it.

I would like to take this opportunity to thank Sharkey's Bus Service for treating us with hamburgers and ice cream at "Mollys" afterwards. News reporters are not always invited to the "fun" activities and it was greatly appreciated.

Thank You

Thanks to the Community for the support you gave Postal Employee Day at the Dewberry Post Office. $298.00 was raised for the Jr. Girls Ball Uniforms and Equipment. Lynn Blacklock and Guy Butz won the door draws. Special thanks to the Hostesses Molly MacLean and Eileen Frey.

Commissioning and farewell to leaders

Donna Berck and Violet Huss, leaders of the Clandonald Bible Fellowship Church, were honoured on Sunday, June 15, at 2 p.m., on the celebration of the seventeenth anniversary of the Canadian Sunday School Mission work in Clandonald. These two ladies will be moving to Ranfurly in two weeks to continue work there.

The morning worship service was followed by a potluck dinner in the church basement. Guests from Clandonald, Dapp, St. Paul, Lac La Biche, Vermilion, Irma, Bonnyville, Hairy Hill, Islay, Dewberry, Myrnam, Two Hills, Willingdon and Ottawa, Ontario, gathered to wish Donna and Violet well as they move to Ranfurly to continue their work.

There were may tributes to the hard work and perseverance of Donna and Violet. Verses of scripture were used to encourage them, and challenge all the people present to continue in spreading the Gospel. Mrs. Mary Forestall and Orlo Hutchinson spoke for the congregation. Pastor Bob Wunsch from Myrnam spoke briefly about Noah, and how he faced ridicule and discouragement, but "God remembered", and continues to remember work done for Him.

Pastor Jeff Davis from Two Hills especially appreciated their work with and for the young people of the area. He looked forward to continuing to work with them in that area.

Mike Wakulchyk from Willingdon offered a paraphrase of Psalm 100 for encouragement.

From Greenlawn Gospel Church, Dave Campbell, noted that the Lord's work can be hard work, but that the reward is assured.

Rev. Ted North from Dewberry United Church, encouraged Donna and Violet to go and work at the Lord's work now and wished them His peace.

Pastor Dan Maxwell of Avonglen Mission Church offered inspiration from Isaiah 61, "The Spirit of the Lord God is with thee ... that He might be glorified."

Ed Krochmal, representing the St. Paul Mission Church, paid tribute to their hard work at camp, and with the Story Van at fairs.

From the Parkview Alliance Church in Vermilion, Albert Tovell likened Donna's and Violet's move to that of Paul and Barnabus when they were called from one active work to another, as recorded in Acts 13.

Pastor Zimmerman from the Bonnyville Fellowship Church, offered the words of Paul in 1 Cor. 15:58 "therefore my beloved brethern, be steadfast, immoveable ... your labour is not in vain in the Lord."

One tribute that will long be remembered was a series of transparencies written and drawn by the Bible Club children, telling what they had learned in Bible Club, and how they felt about Donna and Violet moving. These were shown by Bill Carter and read by Adam and Angela Carter, then presented to Donna and Violet.

The Bible Club children then sang "I Wish You Jesus".

Bill Carter presented gifts from the teachers in Clandonald school where Donna and Violet have taught religion classes for two years.

There were also presentations from the church family by Pastor Steve Elich, and a cookie jar presented by Amanda Tyler from the Bible Club, (who are all cookie lovers), and a special thank you from Sharmen Radesh.

Music numbers, besides congregational Hymns were "It Is No Secret" by Duncan, Sarah and Shirley Osinchuk with special guest Mrs. Doris Duncan, Shirley's mother, and "We Have This Moment, Today" sung by Judy Carter and Shirley Osinchuk, accompanied by Barb Elich. The Hymns were directed by Jeff Davis and played by Barb Elich and Linette Davis.

Barb Elich spoke of her appreciation to Donna and Violet for their unselfish service to her family while they lived in their basement and shared in their home for the past nine months.

Pastor Steve Elich spoke on King David's desire to build a permanent temple for the Lord to replace the portable tabernacle, and how the Lord changed that good plan for a better one of His own. Solomon was to build the temple. David's instructions to him were to know the Lord first, then to act. Pastor Elich challenged everyone there to do the same. Donna and Violet have been serving with their whole hearts. Now the Lord has different plans for them, and is directing their move to Ranfurly.

The Canadian Sunday School Mission Pastors placed their hands on Donna and Violet and prayed with and for them, in sending them on to further work.

Everyone then enjoyed conversation, fellowship and good cake downstairs. Joyce Waltz and Betty Ford are to be commended on the beautiful cakes they decorated.

Starting next Sunday, June 22, church will begin at 10 a.m., for the summer. You are always welcome in the Bible Fellowship Church.

FOND FAREWELL — Amanda Tyler presents a gift to Violet and Donna Berck on behalf of the Bible Club.

Dewberry 4-H Club

By Shirley Osinchuk
Clandonald Correspondent

The Dewberry 4-H Club went from the Achievement Day in Dewberry to the 4-H Expo in Lloydminster on June 1 and 2.

This is a small club competing against some much larger clubs from the Lloydminster area.

They placed third in the Group of 5 Steers class, and fourth in the class showing all the club's steers.

In the Barn Display, they were awarded second, with Hillmond being given the first place.

Congratulations Dewberry 4-H members, leaders, parents and other supporters, on a job well done.

Card of Thanks

We wish to express our sincere thanks to all our relatives, friends and neighbors for their flowers, sympathy cards, donations of food & donations made to various organizations in memory of our loving husband, father and grandfather Carl Nelson. Special thank you to Dr. K. McNeilly, Dr. F. Estey, Elk Point Hospital nursing staff, Elk Point and District Ambulance and staff, Reverend Sam Donaldson, honorary pallbearers, active pallbearers, organist, Joan Gray for her solo, Salt Plant for digging the grave and everyone else who helped in anyway. Thank you to the ladies of Ferguson Flats Community Centre for serving the lunch at the hall after the funeral. Also thank you to Park Dale Funeral Home for their kindness and service. Your comfort, kindness and thoughtfulness was greatly appreciated and will always be remembered.

Mrs. Olive Nelson, Deanna & Gordon Fakely, Donna & Lucien Brunet & family.

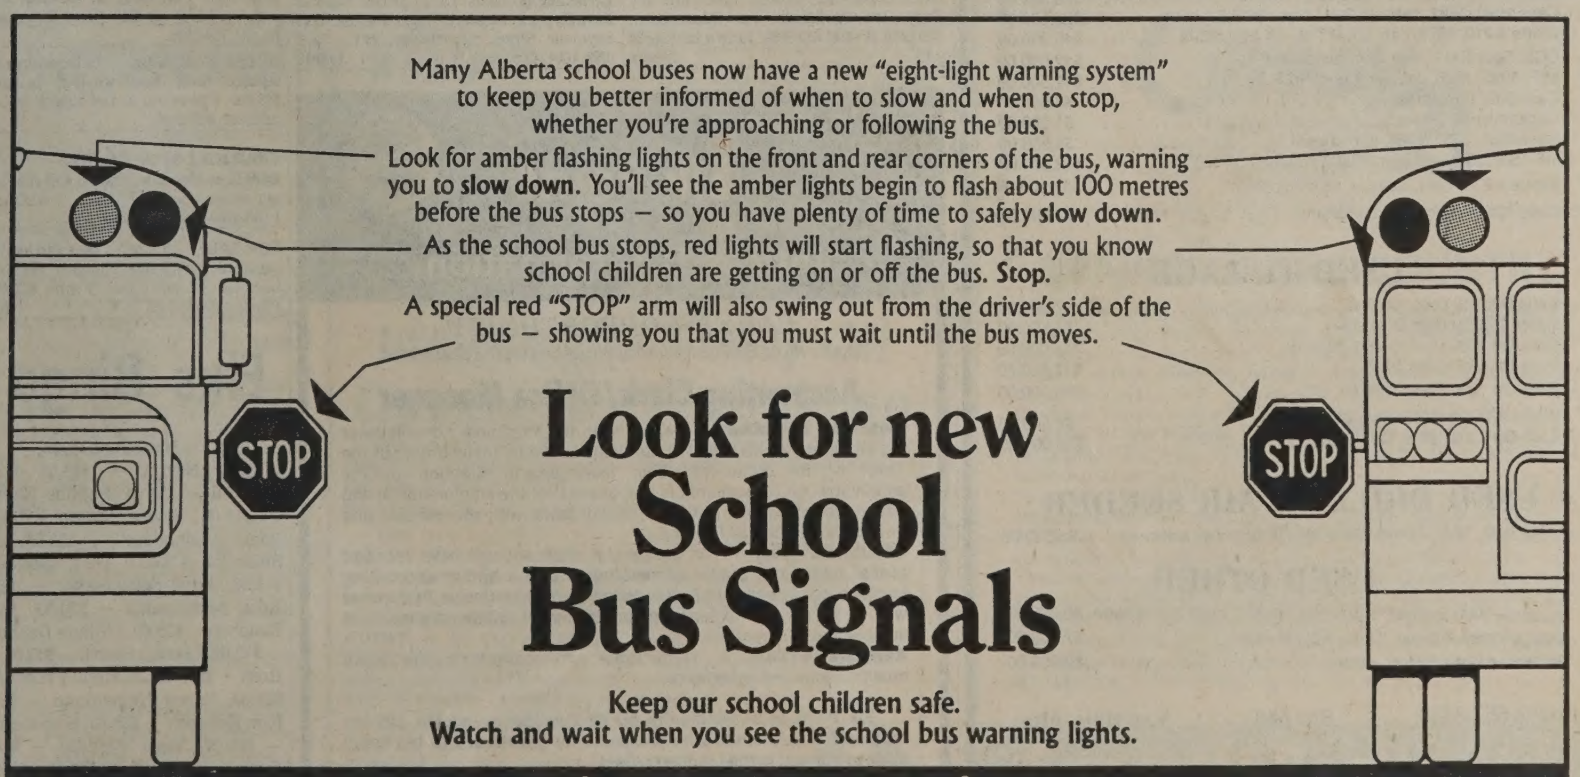
Many Alberta school buses now have a new "eight-light warning system" to keep you better informed of when to slow and when to stop, whether you're approaching or following the bus.

Look for amber flashing lights on the front and rear corners of the bus, warning you to **slow down**. You'll see the amber lights begin to flash about 100 metres before the bus stops – so you have plenty of time to safely **slow down**.

As the school bus stops, red lights will start flashing, so that you know school children are getting on or off the bus. **Stop.**

A special red "STOP" arm will also swing out from the driver's side of the bus – showing you that you must wait until the bus moves.



Look for new School Bus Signals

Keep our school children safe.
Watch and wait when you see the school bus warning lights.

RED CROSS QUILT — Dora Scott, Wazy Elaschuk, Vera Fakeley and Betty Lou Vankosky pose with the Red Cross quilt.

Community effort

Four different communities, all served by the Lindbergh Post Office, are involved in a Postal Employees' Week project coordinated by Lindbergh Postmaster Delphine Young.

The finished project will be a hand-sewn quilt with the P.E.W. carrier pigeon symbol incorporated into the design. Representatives from five community organizations are helping complete the project.

Postmaster Young initiated the idea and cut out all the fabric pieces required for each square in the quilt. These were provided two to a participant, along with instructions on how to prepare them for quilting.

The squares were then returned to Young, who did the finishing, sewed them together and set them up on the frame ready for the actual quilting. On June 14, she gathered six of the club members in her home for a quilting bee to complete the finished product.

A draw was then held to see which of the participating organizations would receive the quilt. The winner will hold a raffle for the quilt, with the proceeds going to that organization.

The groups represented in the project are the Red Cross, the Lindbergh Recreational Association, and the Spring Park, Ferguson Flats and Primrose Community Leagues.

Winner of the draw was Ellen Seward for the Ferguson Flat Ladies Club, who will raffle the quilt.
